

Freedom and Orthodoxy: Islam and Difference in the Post-Andalusian Age (Hardback) - Common

This book argues that the clash of civilizations that is supposed to be a feature of the post-Cold War environment is not necessarily caused by the dogma of world religions or cultural incompatibilities but by the inflexible and hegemonic universalisms that have characterized world history since 1492--a cultural outlook that Majid terms post-Andalusianism. The all-encompassing worldviews of Euro...
