

From Dare to Due Date (Sugar Falls, Idaho)

THE NIGHT THEY MADE A BABY Mia Palinski had never even considered herself the kind of girl to have a one-night stand. Yet there she was, in a big-city hotel room, wrapped in the arms of a handsome stranger she simply couldn't resist. Now she's pregnant, and she has no idea how to contact the father until he shows up in her hometown of Sugar Falls. The man she knew only as GP is Dr. Garrett (Patrick) McCormick. The ski town's newest orthopedist has literally just opened his practice when Mia walks through his door. And although he is surprised at her announcement, he's ready to jump right into fatherhood. Mia, on the other hand, is wary. Doctor Daddy seems wonderful, but can she trust Garrett with her heart when he won't reveal his own?
