

fungus skull eye wing: Selected Poems of Alfonso D'Aquino

This is the first bilingual collection by the Mexican master of nature poems, DAquinoA necessary read for fans of Hart Crane, Jack Spicer, and Latin American poetry in translation.BooklistAlfonso DAquino was raised by his grandmother in an old house attached to a colonial convent in Coyoacan, Mexico. Books were his best friends from an early age. Often solitary, he spent many afternoons at a small aquarium in the nearby town of San Angel, fascinated then as now by the non-human.Forrest Gander, from the introductionfungus skull eye wing is a book of shifting subjectivity and liquid perspective, of surrealist tradition and Butoh-like gestures. The text flirts with the margins of the rational, perception, and the subjective mind. The speaker morphs into what he observes; speech comes alive while a plant becomes speech. Impeccably translated from Spanish by award-winning poet Forrest Gander in a bilingual edition.From Its Verbs Forked Tongue:Its verbs forked tongueTransforms transnominatestranslucent linethe viper the verbtranslates its shadowTattoo freakfrom rows of spotsa star transudesesa language of scales . . .Alfonso DAquino is an editor, poetry instructor, snake handler, and author of six books. He was born in Mexico City in 1959 and currently lives in Cuernavaca, Mexico. His poetry is included in the landmark anthology Reversible Monuments: Contemporary Mexican Poetry.Forrest Gander is a poet, translator, and professor at Brown University. His books have been named finalists for the Pulitzer Prize and the National Book Critics Circle Award.
