

Funny Bone

We all want a guy with a great sense of humor, so why should the chuckles stop once we see him naked? Men get into all kinds of predicaments that poke at the funny bone in this amusingly erotic collection. A witty gay guy turns stand-up comedian when his straight co-worker offers to bottom for him. College party boys make their gay virgin dorm mate into a sex machine with no off button. An employee journeys to the private island home of his boss to advocate for same-sex spousal benefits and gets scared silly by a proposal he cant refuse. A doctor explains why his specialty is the butt of jokes. A newly single man discovers that nothing puts a smile on his face quite like a cherry pop. And the punch lines just keep coming. Burly bouncers, gym bears, rest stop rednecks, military men...theyre all lusting for laughs in Funny Bone.
