

## Used Car Buying Weapons for Women

Reading this simple guide can save you thousands on your next used car purchase. This is a comprehensive used car buying guide for women. Women and men are psychologically manipulated differently on a used car lot to get them to buy, and women need to be armed against this vicious battle. Through interesting and humorous short stories, the author guides the buyer step by step through the used car buying process. It also provides the necessary tips to buy a used car for women with credit problems.
