

Immigration Options for Investors and Entrepreneurs

Immigration Options for Investors and Entrepreneurs provides everything you need to successfully represent clients in this highly specialized area. The strategies, analyses, and practice pointers included in this book will help you - Identify potential benefits based on investment - Determine the responsibilities of an immigration practitioner vs. responsibilities of outside counsel (e.g., tax attorney, corporate counsel) - Prepare petitions based on investment - Counsel clients in difficult circumstances (e.g., clients with pending cases such as removal proceedings, family petitions, labor certification applications) and more! This comprehensive guidebook also covers - Ethical considerations and professional risks - Litigation considerations - E-1 and E-2 visas - EB-5 based permanent residence and more!
