

Zombie Advocacy - Official USAS Management Guide

Decedent expert and former homicide detective Greg Lawson, has compiled this comprehensive and concise manual to explain the physical and mental challenges faced by the undead, the protections and rights afforded to all Undead Survivors, how to establish and develop Undead Survivor Advocacy groups, and the precautions and preparations you must take to ready yourself in the event you become infected. USA Project-Z (USAPZ) is an organization dedicated to investigating, understanding, and intervening in zombie behavior and abuse. It provides an operational and systematic method of managing the causations of, and the reactions to, the undead condition.
