

Treasure of Lima (Rogue Angel Book 46)

White beaches and coral reefs should be adventureproof. For archaeologist and TV show host Annja Creed, a restful vacation in Costa Rica is as elusive as a rare artifact. Days into her sojourn, Annja's peace is interrupted by a woman with a mysterious and enticing tale. Weeks earlier, her husband led an expedition into the rain forest, in search of the lost treasure of Lima, and hadn't returned. The priceless hoard was smuggled out of Peru during the country's nineteenth-century revolt against Spain. But it disappeared when a ship captain went mad with greed. Twenty-six expeditions have gone after the treasure. And twenty-six expeditions have vanished. Sympathetic to the woman's distress, Annja agrees to head up a rescue party for her missing husband. And Annja can't deny her own interest in the lost hoard. Now the fates of two expeditions are at stake, along with a fortune in gold, silver and jewels rumored to be exquisite. But the dense jungle of Cocos Island guards its primitive secrets well. Danger lurks beneath the ancient green canopy. And this time, Annja doesn't see it coming.
