

Handbook of Inca Mythology (World Mythology)

The first introduction to the Incas and their myths aimed at students and general readers, bringing together a wealth of information into one convenient resource. A detailed timeline places all key mythological tales and historical developments in chronological order, from the beginnings of the world to the Spanish conquest. A vividly illustrated AZ dictionary section gives entries for key deities, creatures, characters, rituals, sacred objects, running themes, and beliefs in Inca mythology, as well as important cultural and historical terms, people, and places.
