

## From Courtside to the Boardroom: A Legacy in the Making

E. Davon Kelly presents a challenge to each of us by asking, What will your legacy be? In his book, you will follow the journey of one man who shares life lessons learned on the basketball courts to his application of those lessons in his multi-million dollar businesses. At the end of each chapter, the author presents questions for the reader to answer that will help guide self-discovery of the legacy question.
