

Hemmings Motor News Illustrated Collector-Car Encyclopedia

The Hemmings Motor News Illustrated Collector-Car Encyclopedia aims to be the ultimate visual guide to the automobile. Within its comprehensive listings there will be profiles of all the domestic and international automobile companies, coachbuilders, designers and stylists. Detailed listings will describe the many different components that make up engines, transmissions, differentials, suspensions, brakes and ignition systems, as well as wheels, tires, interiors, lighting and more. Additional chapters on tools, machinery, paint, museums, concours, restoration, hot rodding, racing, toys and art will combine to make this the single most comprehensive automotive encyclopedia ever published. This is certain to become the main reference source for all car owners, collectors, dealers, historians, teachers and budding young car enthusiasts. Over 250 pages and over 30 categories including: Body Styles Body Construction Designers & Stylists Coachbuilders Automobile Companies Pioneers Engines Transmissions Differentials Suspension Brake Systems Fuel Systems Ignition Systems Tools & Machinery Primers and Paints Interiors Wheels Tires Lighting Accessories Racing Hot Rodding High Performance Restoration Concours, Shows & Events Museums Auctions Clubs Toys & Models
