

Hollywood Nobody (Hollywood Nobody Series, Book 1)

Fifteen-year-old Scotty Dawn has spent her young life on the road, traveling to movie sets with her single mom, Charley, a food designer. Yet even though Scotty is wise beyond her years, she still struggles to find her identity. Complicating matters is a mother who offers no guidance and a father she's never met. Now Scotty is determined to discover what she wants from life. She's even documenting the journey on her Hollywood Nobody blog. But as Scotty begins to find dark answers to tough questions, will her story have a happy ending? The first in a series, Hollywood Nobody is a novel for teen girls that examines real issues with honesty and humor. Enhancing the book's themes, the story includes journal and blog entries as well as screenplay dialog, providing an engaging experience for readers.
