

Hope Rekindled (Striking a Match)

At long last, Deborah Vandermark is preparing for her own wedding...but the groom suddenly goes absent. Tragedy has befallen Christophers family in Kansas City, upsetting the doctors future with Deborah. With five siblings now under his care, can he return to Texas and impose a ready-made family on Deborah? Deborah herself finds her resolve faltering as her fears about marriage and career start to overwhelm her. How can she marry and be a mother to Christophers siblings, and still be able to pursue her work and training as a physician? When an old adversary reveals a contract that may spell ruin for Vandermark Logging, Deborahs life seems to be spiraling out of control. How can God possibly work this for good? And can Christopher and Deborah find a way to claim the future they long to share when so much stands in their way?
