

Ashes in the Wind (Weather)

Like a fiery wind, Ashlynn Doucette made Gabe burn. It was only fair that she smolder with him. Rating: Carnal. Genre: Paranormal Romance. ASHES IN THE WIND is a thrilling, captivating romantic story with characters that are absolutely charming. The sex between Gabriel and Ashlynn is hot enough to singe the sheets -- literally -- and emotionally involved. Several secondary characters who add depth and background are Gabriels cousin, Angel; Deke; Remy and Rayne; and Storm, Ashlynns brother. We only catch a glimpse of Storm since hes out of the country, but that one glimpse, gives me hope his story will eventually be told. J.J. Massa continues her Weather Series with a stormy tale of romance, passion, and danger. ASHES IN THE WIND contains characters that make you laugh, sigh, and dream. ASHES IN THE WIND is a wonderful story full of suspense, adventure and passion. Ashlynn has some very special powers that will blow readers minds, while intriguing them at the same time. Gabriel is the Sheriff who is willing to take control to protect the woman he loves. There are a host of secondary characters that add to the plots appeal and some that scream for their own story. JJ Massa has done an excellent job of combining the mystery of the bayou with sultry southern sensuality. 4.5 Blue Ribbons ~ Angel Brewer @ Romance Junkies
