

## How To Flip Houses With Owner Financing No money Down: A complete no money down guide to flipping houses using one of the easiest methods for beginner level investors

Owner Financing is one of Real Estate investments untapped niches and is one of the easiest ways to flip houses with no money down in any market cycle. Because so many investors lack the knowledge of owner financed deals you can stand out from the crowd and create a highly profitable business starting with absolutely no money or credit and no start up costs. What is the opportunity with owner financing? There are millions of people in America who have lost their homes to foreclosures in recent years, a lot of these people have money and are looking to buy another home instead of waste their money on rent. There are also millions of more people who need to sell their homes but cannot due to the market conditions. Then there is you who is going to learn how to find these motivated sellers and buyers and use the buyers money to get them a home on owner finance terms and make a profit doing it. In this book you will learn how to find these buyers and motivated sellers and use the buyers money to make money by setting up a deal between the buyer and seller. This is a complete business system you can run from your home, if you can use a computer and a calculator then you can run this business. Owner finance deals are very popular but not very many investors know how to do them, this book will show you in deep detail exactly how to start a home based business flipping houses using popular owner finance techniques and net thousands of dollars from every deal. This is a simple business system anyone can quickly learn to start making money every month and was written by seasoned investors who have completed hundreds of owner finance deals over the course of their careers. Available for \$2.99 limited time only!
