

Earth & Fire - Sita & Draupadi: Meeting of two Queens

The two Queens, Sita and Draupadi, are the central female characters in the Hindu epics, Ramayana and Mahabharata. It is through events that happen to them, that the stories are propelled forward towards their ultimate conclusion - Victory of good over evil. In this book, I have created a fictional meeting between these two Queens and presented a conversation of Sita with Draupadi, while invoking their unique origins - one from the Earth & the other from Fire. Hope you enjoy my humble offering.
