

## HUGS from smishIE: An In Ya Face Guide to Thrive

smishIE stands for stop making it so hard - ITS EASY and uses in ya face positivity to teach people of all ages to find their palm tree - to learn how to bend, dont break, even in the worst of lifes storms. This in ya face guide to thrive uses quick, simple messages that will snap you into immediate focus when you are feeling drained, overwhelmed, or lost. When meditation, positive affirmations, creative visualization, and vision boards fail, smishIE provides a much-needed slap to the soul that enables you to make peace with your current reality, refocus your energy, and face your day. This collection includes full-color photographs of blissful beaches and forty in ya face messages. Note: This is the original, uncut, uncensored version. For those who are sensitive to explicit language, please purchase the edited educational edition of the book also available.
