

I Married Japan: Japans hilarious journey into one mans life

Think you just married an exotic Japanese woman? Wrong! In fact, you just married all of exotic Japan and 3000 years of history. But, the die is cast, the adventures begun, and the wonders and wondering will never cease. Throw in a couple of kids and a quirky Canadian family filled with characters, and you have the makings of epic tragedy, or gut-busting comedy, depending upon your point of view. Get ready to learn, and be prepared to laugh your way through this collection of Japan-related articles on family life with the Deans!
