

An Accidental Encounter

Annabel is on her way to work one morning after a row with her domineering mother. When she is accidentally knocked down by Garry, a policeman, her life changes forever. Soon, against her mothers advice, the two become romantically involved. Annabel has fallen in love - but her dreams are shattered by a devastating revelation. Will the couple overcome their problems and find happiness together? Or will Anna be tempted by the attentions of her boss, who shes been pining after for ages - or her handsome new neighbour?
