

Ark Baby

Since the year all British women became infertile, Bobby Sullivans London veterinary clinic has been packed with primate children and, speaking as an alpha male, hes sick to death of them. Hoping to reincarnate himself, he moves north, but finds there is no escape from the Darwinian imperative - or from the sexual pull of the luscious twins Rose and Blanche. As the legacy of the girls ancestor, Victorian freak Tobias Phelps, begins to connect with a century of history, religion, and evolutionary theory, new hope looms for the nations future. Pointing the finger of destiny firmly at Bobby ...
