

The Dinosaurs in the Driveway: And Other Spiked Tales

Based upon true events, a geologist and chemist move to Seattle with their mischievous young boys, Merrick and Merlin. When Merrick becomes ill with a mysterious condition, family members must conquer their own fears in order to help him. In the spirit of James Herriot, Erma Bombeck and Bill Cosby, THE DINOSAURS IN THE DRIVEWAY highlights the humor, drama, and adventure of science stirred with motherhood. Readers are captivated by the wizardry of Carols world, the only place Grandpas Magic Mud stands a chance against the harsh reality of T-Rex.
