

## Immigration Law Handbook, 2016 Edition

This fully updated 2016 Edition of Immigration Law Handbook is a convenient volume containing the complete and updated primary law that immigration and homeland security professionals need on a daily basis. Formatted as an easy law reference handbook, inside you'll find the full text of the laws with cross-references, along with a table of sections affected by recent legislation, highlights of the most recent Congressional Session, and immigration classifications and charts. A comprehensive Index helps you find and apply the law quickly. The eBook versions of this title feature links to Lexis Advance for further legal research options.
