

Immigration Law Handbook

This fully updated Immigration Law Handbook is a convenient softbound volume containing the complete and updated primary law that immigration and homeland security professionals need on a daily basis. Sized and formatted as an easy desktop law reference, inside you'll find the full text of the laws with cross-references, along with a table of sections affected by recent legislation, highlights of the most recent Congressional Session, and immigration classifications and charts. A comprehensive Index and tabs printed at the edges of pages help you find and apply the law quickly. Order your copy today, or order copies for every officer on your force.
