

Immigration Law Handbook

With the sweeping changes in immigration and asylum law, the second edition of this handbook provides a comprehensive and up-to-date reference book for immigration practitioners. It includes the Immigration and Asylum Act 1999, the Human Rights Act 1998, the Immigration and Asylum Appeals Procedure Rules of 2000 and incorporates amendments to existing legislation. In addition to all the domestic legislation the handbook includes sections on relevant European and international materials, including the full text of the UNHCR Handbook on Procedures and criteria for determining refugee status.
