

In My Quest For Personal Growth, The Rest Of Me Grew Too!

SHIRLEY, YOU CAN DO IT! What do you get when you combine a mother, a wife, and a friend, with a helping of humor, a smidgen of self-help, and a dash of dead-on wisdom? You get Shirley, a woman just like you: looking for answers, trying to stretch the 24-hour day a little bit longer, and constantly seeking to better herself, even when her self is just fine as it is. Now, in this hilarious, home-hitting new series, you can follow Shirley through the adventure that is daily life--and you just might learn a few things about yourself along the way...IN MY QUEST FOR PERSONAL GROWTH, THE REST OF ME GREW, TOO! Shirley is dreading Mothers Day almost as much as she loathes hauling her very pregnant body to her sons school to be his show-and-tell exhibit. But when she makes a new friend, who gives her a crash course in Life 101, Shirley views Mothers Day in a whole new light, and--even if her husband forgets to send her flowers and her mother-in-law gives her a copy of Lose the Baby Fat Before the Kid is in Kindergarten--Shirley grows to realize that she is truly blessed.
