

Inside Ferrari: Unique Behind-the-Scenes Photography of the Worlds Greatest Formula One Team

The greatest automobile racing team in the world. Inside Ferrari is an exclusive and intimate view inside Formula 1's most successful, most alluring and most secretive professional racing teams. This book provides a rare glimpse into the world famous Ferrari factory, inside the Ferrari garage and inside the Ferrari test track, capturing what it takes to be one of the worlds great sports teams. The camera division of the Olympus Corporation Camera Company, a sponsor of the Ferrari Formula 1 team, commissioned Jon Nicholson to go behind the scenes at Ferrari and take exclusive photographs of its F1 Team at work -- in preparation for races, and during races. Working as a team, Nicholson and racing journalist Maurice Hamilton created a candid profile that is packed with exciting stories and on-the-spot action photographs of behind-the-scenes workers and such internationally famous drivers as Michael Schumacher and Rubens Barrichello. Here are (almost) all the secrets involving: The factory The testing The cars The drivers Racing The Ferrari racing family. No one else has ever been given such access to Ferrari, and this book will be a delight for millions of Formula 1 racing fans.
