

Lessons from My Brother Zig

Are you ready to accelerate your success? Do you need energy and focus to maximize the years ahead? What if your mentor appeared whenever you needed him most with an important lesson for you? For the last thirty-eight years, Floyd Wickmans journey to the top of the speaking profession was impacted by his relationship with Zig. Together, these two masters of success thinking will teach you how to gain or regain the achievement you desire. Use these lessons to improve your relationships and earn a prosperous and peaceful future. Implement change using the Application following each chapter. Take the first step now. Begin your LESSONS today.
