

## Career MAGIC: A Womans Guide to Reward & Recognition

Goodbye glass ceiling! Female business professionals are here to stay and represent a vital part of American businesses in hundreds of different trades. The only thing holding many career-oriented women back in today's business world is self-inflicted limitations: fear, mannerisms, complacency and lack of confidence. Career MAGIC can help! Successful business owner/entrepreneur and author Marjorie Brody shares her MAGIC formula for self-marketing success in this book, and along the way, relates strategies that have worked for more than 30 highly successful female executives representing more than a dozen industries. Take charge of your future now and embrace your own MAGIC! Learn the impact your Manner, Advocates, Growth, Involvement and creating Commentary can have on your career. It's never too late to market your MAGIC!
