

Commercial Real Estate Prospecting: Spinning Gold

Commercial real estate is an intense and competitive business. Only your talent and effort limits how much you can earn in this lucrative field. The opportunities for entrepreneurs are endless. This book looks at what it takes to get prospects in commercial real estate and the level of professionalism you need to hold on to them. You can spin gold if you're willing to give the time and make the effort. Commercial real estate is one of the last areas where you make an unlimited amount of money and prospecting is your key to success.
