

Divine Grace

Divine Grace is a collection of poems (and truisms) penned over the past thirty years by the Toronto-born author Julian Ayrs. According to Ayrs (a renaissance man) the haiku-style musings were inspired by his day-to-day reflections on life; consequently, the poems tend to be philosophical in nature. In addition to writing, Ayrs is also a prolific painter actively involved in the performing arts (acting and singing). Ayrs is probably best-known internationally as a successful blogger who currently critiques films and interviews celebrities in picturesque sunny California. His highly-ranked Entertainment site at The Tattler boasts a world-wide fan base (<http://www.julianayrs.tumblr.com>). Ayrs is available for public appearances (such as talk shows and poetry readings) and may be contacted by e-mail (i.julian@yahoo.com) or by telephone in Beverly Hills (310.954.9789) for that purpose.
