

Its All About Him: The Doctrine of Christ

What can the righteous do to be ready for spiritual battle? Its All About Him: The Doctrine of Christ relates that we can make the commitment to learn Christ's doctrine and six guiding principles as derived from the book of Hebrews in the New Testament. This book draws upon a vast array of specific scriptural passages from the Bible to accompany the reader through Christ's doctrine. The principles include repentance from dead works, faith toward God, the doctrine of baptisms, laying on of hands, resurrection of the dead, and eternal judgment. Each principle is explored by lingual origin, through scripture, then fully deciphered and applied for the reader. Other concepts explored include: brokenness, speaking in tongues as an indicator of the indwelling of the Holy Spirit, and maturation beyond milk-fed Christianity.
