

Nature in Woodland Moor and Stream - Notes of a Sporting Naturalist

Originally published in London 1889. The author was a Kentish born naturalist with a love of field sports. He writes with feeling of the study of the wild creatures of the Surrey and Kentish coast and his experiences with shooting, fishing and fowling. Contents Include: A Winters day on the Marshes Haunts of the Otter The Badger The Fox The Heron and his Haunts Rambles in Surrey Birds of Prey Martens, Polecats, Weasels and Stoats Fish and Fishing Wildfowling Hunting Shooting etc. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
