

Pony Soldiers (Deathlands)

Ryan Cawdor and his band of post-holocaust survivors come face-to-face with a specter from the past: out of the swirling dust that was once New Mexico bursts a regiment of pony soldiers, led by a man with flowing yellow hair. Brandishing Colts and Winchesters, the horsemen grimly prepare to destroy the ragtag strangers, intruders who dare to penetrate their ruthlessly defended stronghold. As the final showdowns nears, Ryan makes a startling discovery: either he and his companions have chron-jumped back to the 1800s, or General George Custer has been catapulted into the twenty-second century...
