

Buyers Used Car Super-Saver Handbook: 2014 Australian ebook Edition

After buying a home, acquiring a car is the second most expensive purchasing decision you are likely to make in your life. So it is important to get it right. The idea for BUYERS USED CAR SUPER-SAVER HANDBOOK came about through the recent combined personal experiences of my wife and myself in buying a used car. Neither of us are qualified mechanics; in fact, far from it! This ebook Handbook covers important areas that buyers should be aware of when buying a Used Car. Specifically, key information that is not on the Internet, nor are you told about unless you ring and ask the right questions, nor relating to the car you think you are buying and the one you inspect. Good luck on your purchase. Hopefully, the guidelines and information provided will make your purchase a pleasurable experience and you will avoid the minefield and save \$000s, time and effort in the process.
