

# Chapters of Destiny: ...How the Bible Can Help You Understand, Master, & Accomplish Your Lifes Mission!

In this guide, author Samuel explores how the Bible can help you live a more fulfilling life and help you achieve your destiny. His premise is that, as with the life of Jesus, every persons life is arranged like a book; there will be chapters in the life of every individual. When you seek to connect the chapters of your life to those of Jessus life, you can master anything. By moving closer to the Lord and applying the lessons provided in this guidebook, you can accomplish your lifes mission in a timely manner; handle challenges in each phase of your pursuit; harness the power of the Holy Spirit in everyday life; and remain one of Gods chosen in this life and in the next. While every persons destiny is different and the challenges we face vary, every single one of us is living a life that mirrors that of our Lord Jesus Christ. If we seek to follow His example and take His teachings to heart, we can master the Chapters of Destiny.
