

John, His Story

For permission to perform John, His Story you are required to purchase the Production Pack. In addition to including 5 scripts at a reduced rate for the director and major characters, you receive permission to make photocopies of the script for minor characters and your technical crew and a Performance Licensing Agreement. The Performance Licensing Agreement is used to pay the Royalty fee(s) and is due two weeks prior to performance(s). The Production Pack price does not include the Royalty payment. This four-person, full-length script is a retelling of the miracles described in the fourth Gospel. While the character list for this play is about 27, they are all brought to life by four actors, a few props, some costume accessory changes, and a stage with some stairs and platforms. If using only four actors, this play is not for beginners.
