

JUMP! - Get Unstuck: Extraordinary Life Breakthroughs Through Innovative Change

What if you could make big changes quickly and ensure they last? You can! But it takes a different approach to change. That's what JUMP! - Get Unstuck is all about. Fast, meaningful, REAL, long-lasting change. It inspires a mind reboot, a shift to help us choose change as opposed to defaulting to our normal behavior of just dealing with it when change is mandated. It's simple, really... Change is an emotional decision, not an intellectual one, and CHOOSING change makes ALL the difference. Said another way, We don't resist change; we resist BEING changed without our permission! If you want to ensure that change will fail, force it on people. On the other hand, if you want to quickly make big changes that last, well, let's use a new approach—something that fills the pages of this book; the JUMP! Innovative Change Model. Let's do change differently. Let's JUMP!
