

Justification: The Imputation of Christs Righteousness from Reformation Theology to the American Great Awakening and the Korean Revivals

This book returns to the true nature of the gospel, justification by grace alone through faith alone because of Christ alone. Fundamental to the books argument is a rejection of the biblical truth and the faithful heritage of the gospel. By tracing the development of Reformation theology in Luther and Calvin, the giants in the American Great Awakening and the Korean revivals are brought up for analysis: Jonathan Edwards, Timothy Dwight, Sun-Ju Kil, Ik-Doo Kim, Yong-Do Lee, and Sung-Bong Lee. Paul ChulHong Kang makes clear what can be at stake not merely for academic theologians but for all Christians - the gospel itself.
