

The Autobiography of Jesus X: a novel

Hey, its me... Jesus! I know you already know some stories. But there are strange twists that history has seemed intent on ironing out... for better or worse. All is told here, my last real message to humanity before the world ends. Self publishing through Ross is the only way I could get The Real Word out. F-d up, aint it? This book, and its companion, are the good and bad, awful truths of the longview, itself: sarcastic and cynical, daring and impassioned and apathetic. This tome is not wicked, but frankly delicious.
