

De Trinitate: [Latin Edition] (Opera Omnia S. Augustini) (Volume 3)

Quindecim libri De Trinitate, in qua S. Augustinus XV annos laboravit, ab anno 400 usque ad 416, sunt elaboratissimos libros S. Augustini. Novissimi libri sunt de apologiis quibus mysterium Trinitatis habet cum anima nostra plurime aguntur. Ipse auctor sanctus declaravit ut solum analogi sint et valde obscuri. Augustinus est eximius Patrum, propter profunditatem cogitationis sui, et sanctitatis atque charitatis. Is est doctor gratiae et maximus scriptor posteriorum saeculorum. The Latin edition of St. Augustines De Trinitate is a new reprint from Mediatrix Press, fully in Latin. This is not a facsimile but a reprint in large readable font with sufficient spacing of paragraphs and texts. Readers familiar with the Mediatrix Press edition of Confessiones will immediately recognize the simple style and excellent readability in De Trinitate, one of St. Augustines most important Theological works.
