

Mothers and Daughters: Celebrating the Gift of Love with 12 New Stories

Mothers and daughters share a kinship so close that looking at each other is often like gazing into a mirror. Now famous mothers and their daughters merge their imaginations and talents and share the richness of the heart in this extraordinary short-story collection that celebrates the joys of motherhood and family. Collaborating for the first time with their daughters on works of fiction, twelve of today's most acclaimed female authors have crafted original short stories, punctuated by wit and wisdom, poignancy and humor, exclusively for this volume. Each story is accompanied by a personal introduction and a delightful family snapshot. The result is a heartwarming and intimate look at the powerful bond between mothers and daughters. Inspired by real-life experiences, these twelve tales reveal the dynamics of family, the bonds of love, and the woman-to-woman heritage passed down from mother to daughter. A diagnosis of illness... the unexpected impact of a lottery win... a family shattered by divorce... the hilarious pitchperfect exchange between teenager and her mom at the mall. Each story rings true, and vividly depicts the complex and enduring relationship between mothers and daughters. Wise and witty, poignant and profound, this unique anthology captures the love between these unforgettable women, whose voices touch our hearts and draw us closer. *Mothers & Daughters: Celebrating the Gift of Love in 12 New Stories* is a book to be cherished by mothers and daughters alike.
