

Life in the Fast Lane: The Inside Story of Benetton's First World Championship

Steve Matchett was a member of Benetton's highly successful Grand Prix team, and here he tells the extraordinary story of the momentous 1994 season. Matchett writes about the death of Ayrton Senna, the Hockenheim fire, disqualifications - as the Benetton and Williams teams fought tooth and nail for the drivers championship. The final showdown came in Adelaide, the last race of the season, with the controversial accident when Schumacher of Benetton and Hill of Williams collided. Steve Matchett was the rear jack man in the Benetton pit lane team, and was himself engulfed in the terrible fire at Hockenheim. His story of the frantic and unending behind-the-scenes activity in the effort to be the fastest and the best in the world is a fascinating account of the high pressure world of Formula One motor racing.
