

Life is a Bicycle: A Living Philosophy to Finding your Authenticity

Whos riding my bicycle? Historically, men and women have worked to provide the bare essentials for everyday life. Life is a Bicycle If You Stop Pedaling Youll Fall Off explores works next generation of thought and examines its higher purpose: to nurture the advancing mind and unfold the soul. It is your birthright to express yourself harmoniously through your daily work. The bicycle as a metaphor for life endeavors to clothe the ideal of finding ones professional true north in a recognizable and practical form. It makes the act of discovering ones genuine work physical, understandable, and ultimately, actionable. Inside, youll discover: The largest collection of quotes ever assembled capturing the art of discovering sincere, heartfelt work Four fountainheads that reveal and spur your desire, will, and love Principles that will guide you through an evolution of thought en route to your professional best Enlightening exercises and insightful questions designed to reveal your true nature The mechanics--but more importantly the heart and soul--of how to discover your professional authenticity If you believe your talent, energy, and appetite indicate ideal work that is capable of bringing out your best while reaping the greatest professional enjoyment possibleand this is the life you wantthen you must answer the question: Whos riding my bicycle?
