

Life Without Summer: A Novel

Life Without Summer tells the story of Tessa, a mother who has just lost her four-year-old daughter in a hit-and-run accident and the grief counselor, Celia, who tries to help her to put her life back together. When their lives begin to intersect in powerful and unexpected ways, they discover that the answers one needs might be the others only chance for peace. Each woman's intensely personal journey reverberates with universal themes about the connections between love, marriage, truth, and forgiveness that no reader will forget.
