

## All the Guys are Bad Guys

After his grandmother's funeral, Andy Bowers discovers her legacy to be a package of plans describing The Adventure. It's a dangerous undertaking but the prize is phenomenal, and only Andy has the skill and experience to pull it off. He teams with his godfather who has the moxie to control their support crew, and the fun begins. Although skilled in the mechanics, Andy is amateurish in the politics of a gathering of crooks, and soon can't tell the good guys from the bad guys. The prize will be split four ways but everyone knows that one way or two ways is much better than four, and why keep a schmuck like Andy after he does his job. Ghosts, tricks and double-crosses galore abound in this fast-moving thriller as Andy goes after the treasure with an agenda or two of his own.
