

## Tantric Coconuts: Library Edition

A new novel and new direction from the bestselling author of *A Dog Named Christmas*, *Zen and the Art of Motorcycle Maintenance*, *Life of Pi*, *On the Road*, *Travels with Charley* in this quirky spiritual journey across the wild highways and byways of America. When her crazy Aunt Lily is sent off to prison for killing Uncle Harry, Angel takes possession of the former couple's newly refurbished bookmobile, Bertha, and their half-wolf dog, No Barks. Painting her business card on the side of the minivan, Angel and her trusty companion set off on a pilgrimage across America hoping to jump-start her new profession: Native American spiritual consultant. Traveling in the other direction on a much-needed vacation and in need of spiritual nourishment in his Winnebago 32RQ is Teddy Day, a Harvard-educated lawyer for the American Beef Federation, with his Irish terrier mix, Argo. Two lives collide literally in an RV park, and when the dust settles, Ted and Angel find themselves enamored. They set off together on a crazy road trip, detouring into some rarely traveled corridors of the human soul. Very soon, nothing will ever be the same for these travelers, their dogs, and, heck, the world at large.
