

The Witch of Wanchai

A dangerous chase through some of the worlds most exotic locales and in the decadence of Hong Kongs underworld... Hong Kong detective Ian Hamilton links the disappearance of Indonesian domestic helpers to the body of a Burmese man found sprawled on the floor of a Wanchai bar. So begins Ians pursuit of The Witch, a dangerous chase through some of the worlds most exotic locales; the decadence of Hong Kongs underworld, the steaming jade mines of Myanmar, and the seductive urban labyrinth of Japan. Ians career, as well as his life, are in jeopardy as he follows The Witches trail of murder, cannibalism, and international jade smuggling. Will Ian be able to defeat The Witch?
