

## Little Book of Camper Van (Little Books)

Little Book of Camper Van, a 128-page hardback book that looks back at the development of one of the most quirky and unique vehicles to have been manufactured, has sold more than 50,000 copies since its launch in 2009. Anyone who has ever driven a Volkswagen Camper will appreciate the appeal of this unique vehicle with its styling and versatility. It has given birth to a raft of products and apparel over the last few years including posters, mugs, money boxes and much more. This is a fascinating look at a cultural icon.
