

Wag, Live, Love

A happier life is available right here and now. Master Coach Ginger Jenks and two Samoyed dogs named Tasja and Magellan show us how in this witty, uplifting and thoughtful book, originally released as I Bark Because I Do (Authorhouse). 30 life lessons, such as Gratitude and See the World as a Friendly Place, come alive in the dogs voices as they journey through life and across the US. The stories are complemented by beautiful photographs and illustrations that are eye candy by themselves. A keen observer of human and canine nature, Jenks Thoughtful Paws for each story will further open your heart and mind. You'll laugh, you'll cry and you'll be inspired to be the very best person you can be.
