

# Living Gnosis: A Practical Guide to Gnostic Christianity

Gnostic revival is growing in the United States and Europe as people are discovering the mystical roots of their own Western Tradition. This easy-to-read, deeply spiritual introduction to Gnostic Christianity helps beginners down the Gnostic path to esoteric insights and wisdom. Focusing primarily on Sophian Gnosticism, Tau Malachi explains the origins, teachings, and nature of this living tradition. Readers also learn how to apply Gnostic practices, such as affirmation, positive thought, and creative visualization, in daily life. More than a practical guide, this text invites everyone to embark on a spiritual quest toward Spirit-connection and self-realization by way of Gnostic wisdom.
